

RIVET LOCK

Roll formed steel frame shelves provide rigidity and strength. Double rivet beams on top and bottom provide a secure, interlocking connection. Shelves adjust on 1/2" increments for added options. Easy assembly, no tools required. Unit shown with optional label holders. Extra heavy duty models have double rivet beam on all levels. Available in two baked enamel finishes Gray or Tan. Add suffix (T) to the model number for Tan finish.

C. DECK SUPPORTS - Increase shelf capacity by 40% and allows for unexpected heavy loads. Deck supports are only to be ordered as part of the components grouping. They are not intended to be added to complete units to increase the load capacity. Complete units have these supports included. Available in two baked enamel finishes Gray or Tan. Add suffix (T) to the model number for Tan finish.

* INCLUDES 96" HEAVY DUTY CHANNEL BEAM

Low cost wire and wood deck bulk storage racks are space-efficient to make maximum use of your storage area. Extra high, wide and deep racks accommodate a variety of sizes and shapes. For use in retail, commercial and industrial applications. Four side accessibility for convenient hand loading.

Easy set-up with snap-in pre-cut components. No nuts, bolts, clips or tools required. Sturdy roll-formed steel framing provides maximum support. Front-to-back supports help prevent beams from rotating when fully loaded. Unique double button stud construction locks perimeter beams into corner post forming a structurally secure joint, eliminates back and side sway. Chip resistant Gray or Tan baked enamel finish. Rugged $1\frac{1}{2}$ " x $2\frac{1}{4}$ " x 14 ga. steel uprights are punched on $1\frac{1}{2}$ " centers. **Add suffix (T) to the model number for Tan finish.**
